Session 1: Issue 3

Hard to believe we are already in the last week of session # 1! For any campers who are not signed up for session #2 but would like to join us for another 3 weeks (including some of our best trips, there are a few spots remaining. Contact Patty at city hall for details and rates.

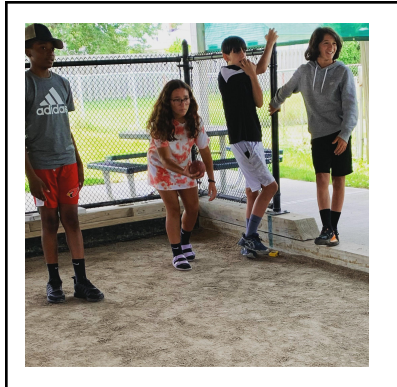

Weather next week has thunderstorms forecasted daily- not ideal! We will try to stick with this schedule, but it will most likely change. We do our best to provide a fun day every day, but Mother Nature can be quite the *&^%! And we have to be flexible...

Monday: Downtown Cleveland

Money for lunch today- and for some fun shopping/eating opportunities as we will be hitting Tower City, The West Side Market, W. 25th for Campbell's and Mitchell's and then head to Edgewater Beach in the afternoon.

Tuesday: Cedar Point

We have an 8:00 bus today and will leave as close to that as possible- do not be late or you will miss camp! Money for lunch today as there is no packed option. We will aim to return at 5:00 but will call from the road.

Wednesday: Nelson Ledges

Campers must pack a lunch and wear tennis/hiking shoes and a swimsuit today.

Thursday: Mayfield Village Day

We stay local today as we hit parks around the Village and end up swimming at Parkview Pool. Lunch needs to be packed today.

Friday: Beach Cookout

Basketball and hiking in the park before heading to the beach for cookout today- camp provides lunch.
